

January 2017

### **Dear Partners and Friends**

In the beginning of January, we are ministering in California in churches and colleges and by the middle of the month we are ministering overseas beginning in the country of England where again we are ministering in churches and colleges.

### **Overseas Ministry:**

Over 20 years ago we were prophetically spoken over to come to England, Ireland, Scotland and Wales which has expanded to over 31 nations touching so many lives for Jesus. When you go where the Lord wants you to go it is powerful what you always experience in the Lord. This year we will be traveling around six weeks ministering in conferences, colleges, churches and seminars with personal ministry. It is you, our partners and friends that enable us to go as sent ones. When we minister overseas our normal expenses here in the US continue. For those of you who would like to be a part of sowing in to the lives of others in these countries you can designate your giving towards overseas ministry.

### **Immediate Need:**

We just discovered our server is dying and there is an immediate need for replacement. This is the computer system that enables our entire office to operate the ministry and network. We have received a preliminary cost estimate of \$3,000 to do the major work and if you would like to be involved in the purchase of a new server system please designate your gift as "Building Fund". We thank you for helping us address this sudden development.

### **Live Streaming:**

This is the year that we begin our live streaming with teaching and personal inner action taking place with people all around the US and the world. You will

experience our training sessions that take place at our offices here in Colorado Springs Colorado. I am excited about this as these sessions are designed for putting into practice and by exercising what we learn which is a part of the discipleship focus. Come and join us and we will grow together!

### **Building Update:**

Throughout the year of 2016 we have received over \$80,000 towards our ministry and training center which brings us into the new year with a balance under \$100,000! With your continued financial support of one time gifts and monthly donations we anticipate paying off the building very soon. We want to thank all our friends and partners for your generosity in this important ministry endeavor.

### **Devotional Teaching: Our Best Days Are Before Us**

As we begin this New Year I feel strongly impressed that there are Christians who are dealing with issues of uncertainty in their hearts over the future as if the rug has been pulled out from under them. There are Christians who are looking for financial security in making decisions concerning their money and discovering that investments of safety in protecting their assets are not as secure as they used to be and are having this sense of uneasiness within their hearts over concern for the future. If your heart is being challenged it is possible that present day circumstances are revealing the condition of your heart.

1 Tim 6:17 tells us that we are not to set our hope on uncertain riches but on God, who richly and ceaselessly provides us with everything for our enjoyment.

### **Two Economic Systems:**

The terminology "uncertain riches" tells us that we should not put our trust in riches which is trusting in self but in God who is the provider of all things. This scripture reveals that there are two economic systems in operation at the same time. There is the Kingdom of God which Jesus brought to the earth in which connecting to His kingdom life involves our faith in

that we are trusting in God with all our heart. On the other hand, staying in control where we lean to our own understanding reveals that out of fear and anxiety we are trusting in ourselves. When we are trusting in ourselves our thoughts are always on us and our issues of life. When our focus is on Jesus we are connecting to His kingdom where our thoughts are on the Word of God in His promises. In this place is where we hear His voice in receiving direction from Him and suddenly the way ahead gets straight and plain in the decisions of life.

When we are trusting in the riches of this world we are setting ourselves up for failure and disappointment. The kind of failure where many Christian's hearts have been blinded resulting in them asking why did God allow this to happen when all along they did not know the beliefs of their own heart where their confidence was in themselves in trusting in uncertain riches instead of Jesus being the source of all areas of life. We blame God for the failure, questioning Him in why did God allow this to happen to me when I was trusting in Him. When the truth was, we were operating in the wrong economic system without realizing it.

### **Nothing can stop us except our own heart beliefs:**

In Genesis 26, for Isaac there was a famine in the land and from his own understanding he was preparing to go to Egypt but the Lord spoke to him, to **Dwell in this land, and I will be with you and bless you;** for to you and your descendants I give all these lands, and I will perform the oath which I swore to Abraham your father.

12 **Then Isaac sowed** in that land, and reaped in the same year a hundredfold; and the Lord blessed him. 13 The man began to prosper, and continued prospering until he became very prosperous; 14 for he had possessions of flocks and possessions of herds and a great number of servants. So the Philistines envied him.

I believe that for believers who have taken the time to establish their heart in God's Word concerning His promises, with the Holy Spirit being their teacher, they will experience God's economic system. I believe that our most powerful days are before us in that we will

experience success even like Isaac in Genesis 26 who prospered in the midst of famine. In Christ Jesus nothing can stop us from success as life's problems are only a temporary hindrance.

**Testimonies:**

A young man shared with gratitude how the teaching of the Freedom Series has set him free from anxiety and fear in changing his life as he is experiencing more freedom than ever before as fear is no longer a way of relating to life.

One pastor shared that many testimonies are still coming in from the meeting I had at his church. One man that was healed left his cane at the church after he was healed. He ministers to the homeless on a weekly basis and they are sure encouraged by his healing.

Another woman I prayed for was scheduled for surgery and went to the doctor and the doctor said there was nothing there. The pastor said your teaching tapes are just what we needed to push us over the top. I truly like your way of teaching evangelistic ministry.

Lisa and I are grateful to you our friends and partners of this ministry as together we are seeing lives changed. We believe that our partners are greatly prospering Spirit, soul and body as you experience increase in the seed you have sown multiplying and increasing in the fruits of your righteousness. God's richest blessings in Christ are already yours. Believe and establish this truth in your heart and have an open heart to receive all that God has given you in Christ Jesus.

Happy New Year and God's richest blessings are already yours!

Love and Blessings,

*Cecil + Lisa*
